Re: ***Johnson, et. al. v. Teachers College Columbia University, et. al.***
Docket No.: 1:24-CV-04811(MKV)
Our File No.: 22643.00086

Dear Judge Vyskocil:

We represent defendant Teachers College Columbia University (“Teachers College”) in the above-referenced matter. We write jointly with plaintiffs’ counsel to provide the Court with an update on the progress of discovery.

The parties have resolved the outstanding discovery disputes referenced in our prior correspondence and expect to complete plaintiff’s depositions by May 9, 2025. *See* Dkt. No. 38. Plaintiffs’ counsel has provided supplemental discovery responses to the deficiencies laid out in Teachers College’s deficiency letter served on March 5, 2025. Plaintiff Dr. Charmaine Scarlett was deposed on April 24, 2025, and plaintiff Dr. Shameika Williams and plaintiff Dr. Jonathan Johnson are scheduled to be deposed on May 5, 2025 and May 6, 2025, respectively. No other depositions are expected to be scheduled by Teachers College. Teachers College will need time, however, to obtain the post deposition discovery, including treatment authorizations for mental health treatment uncovered on April 24, 2025 during plaintiff Scarlett deposition. Plaintiff Scarlett also testified to the possibility of additional email correspondences relevant to the claims, which we have also requested. Accordingly, Teachers’ College is seeking an additional two weeks beyond the May 9, 2025 discovery deadline to obtain these outstanding discovery items and to gather the attendant treatment records.

Plaintiffs do not oppose the requested extension.

We thank the Court for its time and consideration in this matter.

Respectfully submitted,
